

Listing of Claims

This listing of claims will replace all prior versions and listings of claims in the application.

29. (currently amended) a universal bracket affixable to a stationary frame member wherein the mounting hole in said universal bracket has a semi-circular countersunk portion, and further including a washer with a semi-circular cross section and a fastener to swivelably affix said bracket to a movable strut.

Conclusion

In view of the foregoing, reconsideration and allowance of all pending claims is respectfully requested.

The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned applicant.

Respectfully submitted,
